COMMUNITY BUILDING PROJECTS

**Imagine growing up in a setting, where you had no access to books.** For most people that is hard to believe. Children and youth in the Philippines have little or no access to books.

We create small libraries for schools, community centers, and community programs with a wide variety of books.

### Types of books needed:

New or gently used children's books, any level from Pre-K through high school.

- Picture books
- Fiction books: any length, short or long chapter books
- Non-fiction (science, animals, space, technology, world history, geography, and so on)
- Biographies
- Short leveled reading books

**Who the books are for?** PhaseTwoCebu™, a nonprofit organization working in the Philippines. All books collected and accepted are sent to children, families, and schools in the Philippines.

**Who is PhaseTwoCebu?** PhaseTwoCebu, and PhaseTwoCebuGroup (in the Philippines) is a faith-based nonprofit based in Minnesota with programs in the Philippines, working with people to build homes, create libraries, provide scholarships, and support communities.

**What impact do the books have?** Children and youth in the Philippines (Cebu) have little or no access to books. By donating to PhaseTwoCebu's efforts, you are helping to foster learning and literacy.

### Types of books we cannot use:

- Textbooks or American history
- Coloring books
- Books that are American culture specific
- Books in poor condition (with rips, missing pages, or have writing in them)
- Books about the paranormal, death, and gender identity (topics that are handled by the Department of Education in Philippine public schools)
